Enclosure No. 5

Requesting that the 3 Wapa villages of Kotadamana, Kiramuwa Palaya & Goonanthanpalla may be excluded from the Kurunegal Union

in common with the residents of Budihal which is the Head Quarters, on account of the fact that their hamlets are removed therefrom, they naturally object to pay the tax. Besides, the income derived from these villages is very insignificant being only Rs 58-4-0 as will be seen from the enclosed statement and as this makes no substantial addition to the revenue of the Union, there is no object in including them in the union much to the disadvantage of the poor ryots thereof

3. Moreover, under Rule 60 of the Rules framed under the Mysore Local Boards' Regulation, the occupiers of houses may be exempted from payment of house tax on the ground of poverty, in any union. Hence the inclusion of these villages in the Budihal Union will not materially benefit the Union. Budihal, by itself may be retained as a Union as it alone contains 320 houses with a population of 1100 and has an income of Rs 330

4. I would therefore request that Government may be pleased to order the exclusion of the said hamlets from the Union of Budihal as prayed for by the petitioners
